

# PL 5½" Midwoofer

Type Number: PL14WJ09-04

#### Features:

The PL series is designed for the discerning audiophile customer. To meet the needs of this audience, several new technologies were developed with the goal of lowering distortion and damping in the speaker. The coated paper cone reduces vibration and standing waves, and the vented motor system minimizes power compression. The combined result is a very open and dynamic sound.

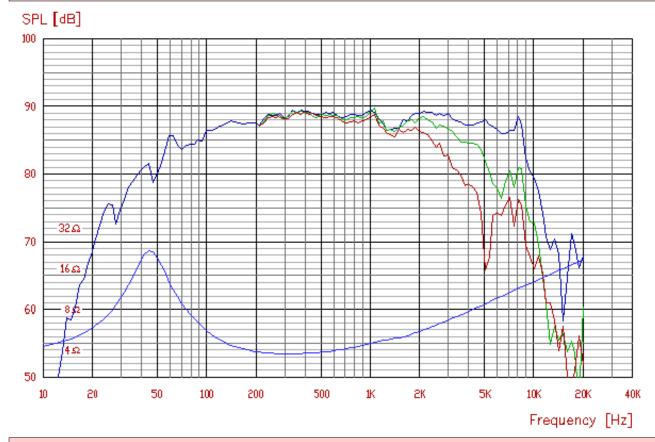

Driver Highlights: Magnesium Chassis, NRSC cone, NR rubber surround
